

Dear Hemp and Cannabis Activist,

We are writing to you on behalf of our show Cannabis Common Sense (CCS), to appeal to the Hemp and Cannabis activist within you. CCS is the show that tells the truth about marijuana and the politics behind its prohibition. CCS is brought to you by The Hemp and Cannabis Foundation (also the main sponsor of Seattle Hempfest and Portland Hempstalk) and our political committee Campaign for the Restoration and Regulation of Hemp, advocating decriminalization of marijuana for medicinal, industrial, and recreational use.

We have produced almost 500 episodes of our weekly TV show, which airs Friday nights at 8pm PST live from Portland Community Media in Portland, Oregon (channel 11 & 23). CCS also airs on cable television across Oregon, Washington, and Colorado via:

- Bainbridge Island Television, Bainbridge Island, Washington, Channel 12 & 22 on Comcast
- Fort Vancouver Community Television, Vancouver, Washington, Channel 11
- MetroEast Community Media, Gresham, Oregon, Channel 21
- Capital Community Television, Salem, Oregon, Channel 23
- Denver Open Media, Denver, Colorado, Channel 51
- Durango Community Access Television, Durango, Colorado, Channel 22

CCS is available via our website <http://crrh.org/cannabis-common-sense> where you'll find archived episodes to watch at your convenience. We are also proud to announce the show is now streaming live each week on the Internet at <http://www.ustream.tv/channel/cannabis-common-sense> and we have been taking calls and gaining viewers from all across the country. This is an exciting time to be involved with CCS!

We want to expand to more cable access channels across the country and get our message out! If you are interested in becoming a part of the CCS family, please contact us via email or phone to begin the process. We will send you weekly DVD's of the show that you can deliver to your local cable access channel.

If you are interested in sponsoring our show on your own local area's cable access network, please complete the following easy steps:

1. Look up your local cable access station.
2. Fill out necessary forms to submit a program, with you as the sponsor.
3. Send us the address to the network, and we'll send a weekly show! If you'd like to be the one to deliver the disk, we can send it directly to you!

From all of us at Cannabis Common Sense, we appreciate your support in passing the important message of Cannabis Reform on to others. Your participation in our show will speak volumes to the people in your community who are looking for an honest approach to the truth about cannabis. If you have any questions, please call 800-723-0188 for more information. Keep up the good fight. Each of us has one small voice, but together we are a giant roar!

Sincerely,

Cannabis Common Sense Media Team
